## Treasurer's Notes

Our unrestricted operating cash balance at the end of June was adequate to cover about seven weeks of average expenses. This is a decrease from about nine weeks – we have a little catching-up in order to maintain a prudent amount of liquidity. Statements of Giving for the second quarter are available.

Our designated accounts – the Rector's Discretionary, Maintenance and Building funds, and several other "buckets" – continue to have funds satisfactory for immediate needs.

We continue to be blessed.

your humble and obedient servant &c.
